The Hiawatha baseball team easily defeated the Millersburg team at Hiawatha park on Sunday afternoon by a score of 9 to 3. The visitors escaped a shut-out by scoring three times in the second inning when they filled the bases with runners on errors by the local infielders. Penhorwood, the Millersburg pitcher, hit a weak grounder to second base where Brown made a miserable mess in attempting to handle the ball and allowed all three men on bases to score.

The game began shortly after three o'clock with Householder pitching for the locals and Penhorwood for the visitors. The former worked steadily throughout the entire game and did not seem to weaken at any point. Penhorwood, on the other hand, let down somewhat in the last few innings and he was hit rather hard. In spite of this fact, the hits were not numerous enough to net runs had the Millersburg fielders been able to handle the easy ones. Their miserable support to the pitcher was the sole cause of defeat of the Millersburg team.

It was apparent shortly after the beginning of the game that the task cut out for the locals was not a hard one and they played accordingly. There is no doubt that, had it been necessary more runs could have been scored in any of the last three innings.

Next Sunday the C. M. A. team of Newark will play in Mt. Vernon and this game will be looked forward to by every fan as they have already defeated the locals in two games this season. This was before the team was re-organized. Vany of Mansfield will pitch the game for the Hiawathas and Porter will be back in the game.

THE GRAYS WON

From The Colored Champions By
Score Of 9 To 7

The Mt. Vernon Grays baseball team defeated the "Colored Champions" of Columbus on Sunday afternoon by a score of 9 to 7. The game was played at Riverside park before a large crowd of spectators and was very interesting at every point. The visitors started off in the first inning by scoring two runs and appeared to be entirely too fast for the Grays. This did not last

long however, as the spurt was found to be only lucky playing and the contest progressed in a very even manner. The colored men led by a score of 5 to 3 up until the seventh inning, when the Grays began to clout the ball in a furious manner and during the final innings, scored seven runs. Taner, for the locals, pitched a fine game of ball, but was little better than his colored opponent.

METHODISTS

To Build A Fine Home At
DelawareInstitution To Be Used For
The Children

(Delaware Journal-Herald)

There has been incorporated in Delaware a Methodist Children's Home, and already \$25,000 has been pledged toward its establishment. At a meeting to be held within the next two weeks an organization will be effected and a committee appointed to select a definite location.

Among the incorporators are Dr. J. H. Fitzwater, Prof. R. T. Stevenson and Mrs. Deana L. Williams of this city. John C. Arbuckle of Columbus, Friend I. Johnson of Mt. Vernon, H. C. Jamison of Cincinnati, Herbert Scott of Columbus and N. W. Stroup of Cleveland.

The Methodists of Ohio are now supporting two hospitals and one aged people's home, besides other charitable institutions, and the need of a children's home, as maintained in various other states, has been greatly felt by persons closely identified with the life of the church. Children of all denominations will be accepted in the institution.

At the time of the meeting in this city it was stated that a wealthy and aged resident of the Van Wert vicinity had made an offer of a 100-acre tract of land, which is valued at \$125 per acre. It is the intention to use this land for the production of revenue for the home, which doubtless will be located in Delaware. Excellent teachers will be provided, and when the children are older they will be sent to the Van Wert farm. Practically the entire population of the home will be sent to the farm during the summer months.

Interested in this proposition are prominent members of the five Methodist conferences of the state, namely, the East Ohio, North Ohio, Cincinnati, Central Ohio and Ohio conferences. The scheme has met with universal favor wherever mentioned, and it is believed that wealthy men of the church will rally to the aid of the institution, which will fill a long left need in Ohio Methodism.

It is estimated that \$50,000 will be used in starting the home, and that it is necessary to raise about \$25,000 in addition to the funds already pledged. Following the early meetings of prominent churchmen in this city a special committee will investigate suitable locations in this section, and a report will be made at another session early in August.

A physician recommends that when a man is tired out with overwork he should go to bed for forty-eight hours, but as the prescription is not accompanied by a check for two days' pay, it will probably be little used.

SEVERE

Injury Sustained In Making
A Dive

Raymond Speck of North Norton street met with a severe accident while bathing near Riverside park on Saturday afternoon. He was bathing in the Kokosing river in company with several other young men all of whom were diving from the bank. In making one of his dives, Mr. Speck struck his head on some object at the bottom of the creek inflicting a very bad scalp wound. He was assisted to the shore by his comrades and Dr. James F. Lee was summoned to render surgical attention.

PAINFUL

Injuries Sustained By Mrs.
Gilmore In A Runaway

Mrs. Maria E. Gilmore, residing on East Curtis street, sustained a broken arm in a runaway, which occurred north-east of the city on Sunday morning. Mrs. Gilmore was driving a horse hitched to a buggy and was going to North Liberty to visit with relatives when the accident occurred. She had reached a point near the Ebenezer church when the horse scared at some object at the road side and ran away. Mrs. Gilmore made every effort to stop the frightened animal, but was unsuccessful and as a result, the buggy was upset in a ditch. She was thrown forcibly to the ground and was rendered unconscious for a short time. Assistance was rendered by people residing a short distance from the spot where the accident occurred and the injured woman was taken to the farm house where Dr. F. L. Singrey was summoned. It was found that in addition to a number of very painful bruises, Mrs. Gilmore's left arm was broken. She was brought to her home in Mt. Vernon soon afterward.

Last week a Youngstown man celebrated the forty-sixth anniversary of the day he took his last drink. His experience proves that it is much better to quit than to swear off.

The crop news from some parts of Kansas is so discouraging that it is feared that many farmers will be able to buy only one new touring car this year, and will have to send their families to the great lakes instead of to Europe.
